Steel Pole Warranty

Quality Pole warrants its steel pole assemblies to be free of defects in material and workmanship for a period of ONE (1) YEAR from the date of shipment.

This warranty does not cover failures due to improper installation, misapplication (product used outside of specified use), improper grounding, or damage from handling, transportation, installation, vehicular impact, abuse, vandalism or excessive vibration caused by site specific wind conditions, the profile of the fixture, or other external factors. This warranty is limited to the repair or replacement of the material involved and does not include reimbursement for the expense of installation, removal of equipment, transportation, or any other expenses which may be incurred.

Authorization must be obtained from Quality Pole before any material is returned.
